July 2010

A Note from the Principal

Dear Parents and Students,

Happy Summer! I hope you are all enjoying the break! We are busy preparing for back-to-school.

I want to try to clear up some confusion about the coming school year. Classes for all students at both Conyers locations will begin on August 5. Middle and High School classes have been designated to attend the Covington campus and FREE transportation will be provided during the school year for Middle and High School students only, from the Conyers campus. School will start on August 9th for Middle and High School students and they are to report to the School gymnasium at the Main Campus by 8:05 a.m. on August 9 for an outstanding Christian Leadership Conference that will last until August 13 and include leadership and organizational training, academic enrichment, and field trips that will inspire and excite them to reach their academic and personal goals. We will be opening the Covington Campus for all grade levels on August 16th. Parents of these students will be notified by email through Renweb.

The School Calendar on our website has information about several events that you can attend to get a better understanding of the exciting future of Peachtree Academy. Because of the important changes in the 2010-2011 school year, it will be mandatory that you attend one of the Parent/student Orientations for your child's grade level.

The grade level supply lists are posted on our website. We are partnering with *Back 2 School Bags* if you want to make life even simpler and avoid the stores. Their website will have supply lists for Peachtree Academy posted on Friday, July 12th. Their website is:
<http://www.back2schoolbags.com/Peachtree%20Academy-main.html>

I want to thank you for your continued support and enthusiasm as we continue to grow and serve you and your family in an even better way.

God Bless,
Sandy Russell

SUMMER READING!

Children are precious gifts. The opportunity to inspire the love of reading is both a great honor as well as an extraordinary responsibility.

Research shows that children who do not read during the summer may lose a month or more of the reading progress they had made in school. It is therefore crucial to keep your children engaged in summer reading activities.

Remember to learn...

THE PANTHER PLEDGE

I pledge to do my best in reading, math and all the rest
I promise to obey the rules
I'll respect myself and others too
I'll expect the best in all I do
Christian values are important too
I'll keep my school clean and safe
Come every day and not be late
I am here to learn and lead
To help my classmates to succeed
Say it strong say it loud – I will always be Panther Proud!
