From the Headmaster...

Peachtree Academy opened its doors 10 years ago as a college-preparatory, private, Christian school with one Kindergarten class. In that brief time, we have grown to 300 students from Pre-K through 11th grade at three locations. We are excited to note that we will be adding our first graduating class in the upcoming 2012-2013 school year. We have grown and continue to do so, we believe, due to the grace of God and pray for his guidance each and every day in the operations of our school.

As a Christian school, Peachtree has a two part mission, 1) to assist students to achieve their full, God-given potential and, 2) to educate students for acceptance at the finest colleges and universities in the nation. Embracing both is a challenge to which our certified, degreed, and experienced teaching staff is well prepared. Peachtree Academy students score at least two to three years above grade level as measured by the Stanford Achievement Test. We believe that outstanding academic outcomes are due to excellent instruction paired with personal relationships built on a belief in the power of prayer and a shared love of Christ.

Take a role in helping to choose your child's classmates. Tell your friends about the great things we are doing here at Peachtree Academy and invite them to visit our school. Open houses are scheduled for Feb. 4, Feb. 25, Mar. 24, and Apr. 14, and are listed on our website.

Six Flags Read to Succeed

Kindergarten through 6th grade is participating in this exciting program. These students need to complete six hours of reading before February 17th.

Your child can read books, magazines, newspapers, or comic books. What doesn't count is any reading that must be done for homework or a class assignment. Kids can read with or without an adult. You can read to your child or your child can read to you.

Please use the reading log provided by your child's teacher to record what and how long your child reads. If the form is turned in by the deadline, your child will receive at the end of the school year, a free ticket to Six Flags. Late entries will not be accepted.

Happy Reading!
