

Peachtree Academy Private School  
**PARENT PERMISSION FOR STUDENT TO DRIVE**

From time to time high school students engage in activities for which Peachtree Academy transportation is not available. Peachtree Academy's first choice in that case would be to have parent volunteers' drive, but there are times when that is neither possible nor feasible and students drive to the activity. When this occurs Peachtree Academy requests the following:

- Copies of auto insurance and the student's driver's license must be attached to this form
- A permission form must be signed by the parents of both the student driver and the student passenger (s) indicating permission and approval
- A signed declaration of No Texting and Driving

**I PLEDGE NOT TO TEXT AND DRIVE** because it takes my attention away from my responsibility of driving and to my passengers, and my eyes are off the road for an average of 5 seconds. At 55 mph, that's like driving the length of a football field—completely blind.
